

Greetings,

We are rapidly approaching Science Day and I just wanted to give you all an update on what is going on. At this point, all students should be near completion or have completed their experimentation for their projects and should be in the beginning stages of their research. Backboards need to be purchased by February 1<sup>st</sup> and DO NOT have to be brought to school until the week of February 22<sup>nd</sup>.

On behalf of the Science Department, I would like to personally invite you all to take part in our annual Science Day program here at Queen Anne School. Between 10:30-11:00am on March 18<sup>th</sup>, you are invited to Middle Leeland to explore all of the students' hard work. At 11:30am, you are invited to attend our Awards Ceremony, where the winners from this year's Science Day will be announced. All backboards and display materials must go home with students at the end of the day – any projects remaining will be thrown away.

**Schedule for Science Day Activities:**

February 1-5, 2010	Science Day Work Week
Monday	– Work on research (library)
Tuesday	– Work on research (computer lab)
Wednesday	– Work on outlines
Thursday	– Work on outlines/one-on-one interviews
Friday	– One-on-one Interviews
February 11, 2010	Outline I Due
February 19, 2010	Outline II Due
February 26, 2010	Rough Draft Due
March 12, 2010	All backboards due
March 15-17, 2010	In Class Presentations
March 17, 2010	Research Papers Due
March 18, 2010	Science Day 2010

If you have any questions or concerns, feel free to let me know.

Thanks!

Mr. Robertson
